

Please note that all users will need to create a new account to reserve the White River Campground sites, as accounts on the previous system will not be transferred to the new system.

Register for an account:

1. Create your new Hamilton County Parks & Recreation Account in our [Registration Catalog](#).
2. Click on "Log In/Create Account", and select the blue Create Your HCPR Account button on the drop-down menu.
3. Enter your information and set up a username and password. Click next.
4. To add children and other family members to your account, click the Add Account Member button. Click "Save & Close". If you receive an error message, please make sure that both the information in Step 1: Account Holder tab and the Step 2: Other Account Members is completed.
5. You can now browse the sites via the catalog by campground section and by the type of site or day you are wanting (located on the left-hand side).

Reserve a White River Campground site:

1. Visit the [Hamilton County Parks & Recreation Registration Catalog](#).
2. Create your new Hamilton County Parks & Recreation Account or log in if you already have an account.
3. Browse our catalog and look for the White River Campground tab.
4. Click on the section of the campground that you are interested in. If you don't know the section or site that you want, view [the map here](#) or use the Facility Tags on the left-hand side.
5. Click on the site that you want and select the check in date and the checkout date.
6. Add the facility to your cart and check out. It's that easy!
